- Email address.** This is either for the person submitting the application or the address where the application registration information (including the Document Locator Number) should be sent.

Important Note: The only exception to this would be for a Sole Proprietor or a Limited Liability Corporation not registering for Withholding Tax and not planning to get an FID/EIN. In this case, a paper BT-1 should be completed and mailed to the Indiana Department of Revenue.

- Indiana Secretary of State Control #.** All businesses except Sole Proprietors and General Partnerships must register with the Indiana Secretary of State. If the business needs to be registered, please do so at: <http://www.in.gov/ai/appfiles/sos-registration/landing.html>.
