CHARITABLE DEDUCTIONS – RECORD KEEPING

For record keeping purposes, it is important that you maintain record of your cash and non-cash charitable contributions. This supporting evidence will be needed in the event of a question directly from the IRS or audit.

Records to keep for Cash Donations less than \$250: bank record, receipt, or written acknowledgment from the charity.

Records to keep for Cash Donations greater than \$250: letter from the organization listing the donation amount and if goods or services were provided to the donor by the organization in return. State a description and approximate value of those goods and services and keep photo documentation of donated items for your records. Donors MUST have this documentation before the timely filing of the tax return. W-2 and pledge card from the charity is sufficient for payroll deductions.
