Financial Consultation

WAYS YOUNG PROFESSIONALS CAN BUILD WEALTH

For recent college grads, newly married couples, and young professionals alike, it can be difficult to build wealth or even know where to start. Whether it's learning how to invest, establish good credit, or decipher which retirement plan is best for you, there are many boxes to check when building a flourishing financial future. Don't panic; we're here to help!

At Storen Financial, every consultation is different, because every client has their own set of financial goals. Topics discussed during a consultation include recommendations on how to...

- Set realistic short-term and long-term financial goals.
- Balance your bank account and use a budget sheet.
- Store an emergency fund.
- Establish good credit.
- Understand your employer's benefits package.
- Save for Retirement.
- Purchase life insurance.
- List your beneficiaries on your accounts.
- Consider a 529 College Choice plan for your children.
- Protect your data and prevent identity fraud.

We'll review your current financial picture, tax-saving strategies, options for your retirement, and actions you can take to be financially successful. After your consultation, you'll walk away with a solid financial plan and recommendations that will help you pursue your specific financial goals.

NEXT STEPS

Once you've scheduled your consultation with one of our experienced Financial Advisors, follow the "Consultation Prep" instructions for preparing and submitting the necessary documents for your consultation.

A one-time fee of \$250 will be assessed at the time of the appointment. If you have any questions, feel free to contact our team.
